

CURRICULUM VITÆ

1. Personal Data

Name: **CARLOS GONÇALO AFONSO ROLHAS FERNANDES DAS NEVES**

Birth date: **24. SEP.1980** Birth Place: **Lisbon – PORTUGAL**

2. Current positions

MAIN POSITION:

Since **01/2014** – **Head of the Section of Virology/Senior Researcher – Norwegian Veterinary Institute – Oslo - Norway**

OTHER POSITIONS:

Since **02/2012**– **Associate Professor at the Comparative Animal Depart. - Faculty of Health Sciences – Uni. of Tromsø**

Since **06/2014** – **National Expert - Panel on Animal Health and Animal Welfare - Norwegian Scientific Committee for Food Safety – Oslo - Norway**

3. Education / Degrees

- Aug 2013** **Diplomate of the European College of Zoological Medicine** (Wildlife Population Health)
- Jan 2005 to Sep 2009** **PhD degree** (*Philosophiae doctor*) in Veterinary sciences (virology) with the thesis: “Cervid herpesvirus 2 infection in reindeer in Norway” - Norwegian School of Veterinary Sciences
- 1998-2004** **Graduated in Veterinary Medicine** (Doctor Vet. Med. - DVM) by the Faculty of Veterinary Medicine of the Universidade Técnica de Lisboa

4. Academic Curriculum (courses and research tenures)

- June 2016** EFSA course Epigenetics and Risk Assessment – Valencia, Spain
- Apr 2015** EU Commission Better Training for Safer Food – Course on Animal Health Risk Assessment
- Sep 2013** CBRN kurs for leger og helsepersonell (Chemical, Biological, Radiological, and Nuclear Defense course for medical and health officers) – Oslo University Hospital and Norwegian Armed Forces ABC school
- Oct 12 – Jan 13** Tenure at the Institute of Virology - Free University of Berlin - Prof. Klaus Osterreider, DVM, PhD
- Nov 2011** Course for leaders in animal experimentation research units – Animal Research Authority Norway
- Oct 2011** Course in High Through-put Sequencing: technology basics, applications and bioinformatics analysis – University of Oslo, Norway
- Sept-Dec 2010** Tenure at the Institute of Virology -Free University of Berlin – Prof. Klaus Osterreider, DVM, PhD
- Oct-Dec 2007** Tenure at the Faculty of Vet. Medicine of the University of Liège, Belgium –Prof. E.Thiry, DVM, PhD
- February 2007** FELASA Level C course for scientists in Laboratorial Animal Science and Experimentation - NVH Oslo
- Autumn 2006** Course in Laboratory, Field and Expeditions Safety – University of Tromsø
- Autumn 2005** Microbiology and Molecular Genetics Course – University of Tromsø
- 2003-2004** Final practice at the Depart. of Arctic Vet. Medicine - Norwegian School of Veterinary Sciences - Tromsø
- 2002** International Course on Wildlife Management in Australia - Faculty of Veterinary Science of the University of Sydney

5. Professional Positions / work experience

- 03-12/2013 – Senior Researcher at the Norwegian Veterinary Institute – Oslo - Norway
- 2009-2012 – Postdoctoral researcher at the Section of Arctic Veterinary Medicine, Tromsø –Norway
- 2005-2009 – PhD student at the Section of Arctic Veterinary Medicine, Tromsø –Norway
- 2004-2005 – Science Administrator/manager - Portuguese Research Council (FCT)

6. Other institutional positions

- 2014 to 2017 – Secretary of the Wildlife Diseases Association
- Since 2010 – Honorary Consul of the Portuguese Republic to Tromsø – northern Norway

8. Scientific articles in international peer reviewed journals

Metrics from ISI web of science	Total Articles in Publication List: 14 Articles With Citation Data: 14 Sum of the Times Cited: 68 Average Citations per Article: 4.86 h-index: 6
---------------------------------	---

- Brucella pinnipedialis hooded seal (*Cystophora cristata*) strain in the mouse model with concurrent exposure to PCB 153. Nymo, I.H., **Das Neves, C.G.**, Tryland, M., Bårdsen, B.J., Santos, R.L., Turchetti, A.P., Janczak, A.M., Djønne, B., Lie, E., Berg, V., Godfroid, J. *Comp Immunol Microbiol Infect Dis* 2014 May; 37(3):195-204, <http://dx.doi.org/10.1016/j.cimid.2014.01.005>
- Physiological Evaluation of Medetomidine-Ketamine anesthesia in Free-ranging Svalbard (*Rangifer tarandus platyrhynchus*) and Wild Norwegian Reindeer (*R. t. tarandus*) Evans, AL, Lian, M, **Das Neves CG**, Os Ø, Andersen R, Aanes R, Strand O, Tryland M, Arnemo JM, *J Wild Dis.* 2013 - 49(4): 1037-1041
- Identification and characterization of two novel viruses associated to ocular infections in reindeer. Smits S.L., Schapendonk C.M.E., Van Leeuwen M., Kuiken T., Bodewes R., Raj S., Haagman, B.L., **Das Neves CG**, Tryland M., Osterhaus A.D.M.E. *PLoS ONE* 2013 8(7): e69711
- A protein A/G indirect enzyme-linked immunosorbent assay for the detection of anti-Brucella antibodies in Arctic wildlife. Evaluation of a Protein A/G ELISA for Brucella spp. in wildlife, with emphasis on the North-East Atlantic population of hooded seal (*Cystophora cristata*). Nymo, I.H., Godfroid, J., Åsbakk, K., Larsen, A.K., Foster, G., **Das Neves, C.G.**, Tryland, M. *J. Vet.Diagno.Invest* 2013 May; 25(3): 369-375
- Experimental parapoxvirus infection (contagious ecthyma) in semi-domesticated reindeer (*Rangifer tarandus tarandus*). Tryland, M., Klein, J., Berger, T., Josefsen, T., **Das Neves, C.G.**, Larsen, H.J., Åsbakk, K. *Vet. Microbiol.* 2013 162: 499-506
- Gammaherpesvirus infection in semidomesticated reindeer (*Rangifer tarandus tarandus*): a cross-sectional, serological study in Northern Norway **Das Neves, C.G.**, Ihlebæk, H., Skjerve, E., Hemmingsen, W., Li, H., Tryland, M. *J Wild Dis.* 2013 - 49(2): 261-9
- Evidence of alphaherpesvirus infections in Alaskan caribou and reindeer. Evans, A., **Das Neves CG**, Finstad, G.F., Beckmen, K.B., Skjerve, E., Nymo, I.H., Tryland M. *BMC Vet Research* 2012, 8:5 (14 January 2012)
- Cervid herpesvirus 2 infection in reindeer: a review. **Das Neves CG**, Roth S., Rimstad E, Thiry E, Tryland M. *Vet Microbiol.* 2010 143(1): 70-80.
- Cervid herpesvirus 2: the primary agent in an outbreak of infectious keratoconjunctivitis (IKC) in semi-domesticated reindeer. Tryland M, **Das Neves CG**, Sunde M, Mørk T. *J Clin Microbiol.* 2009 Sep 47(11):3707-13.
- Cervid herpesvirus 2 experimentally reactivated in reindeer can produce generalized viremia and abortion. **Das Neves CG**, Mørk T, Thiry J, Godfroid J, Rimstad E, Thiry E, Tryland M. *Virus Res.* 2009 Nov; 145(2):321-8.
- Experimental infection of reindeer with Cervid herpesvirus 2. **Das Neves CG**, Mørk T, Godfroid J, Sørensen KK, Breines E, Hareide E, Thiry J, Rimstad E, Thiry E, Tryland M. *Clin Vaccine Immunol.* 2009 Dec; 16 (12): 1758-1765
- Cervid herpesvirus 2 causes respiratory and fetal infections in semidomesticated reindeer. **Das Neves CG**, Rimstad E, Tryland M. *J Clin Microbiol.* 2009 May; 47(5):1309-13.
- Alphaherpesvirus infections in semidomesticated reindeer: a cross-sectional serological study. **Das Neves CG**, Thiry J, Skjerve E, Yoccoz NG, Rimstad E, Thiry E, Tryland M. *Vet Microbiol.* 2009 Nov 18;139(3-4):262-9.
- Evaluation of three commercial bovine ELISA kits for detection of antibodies against Alphaherpesviruses in reindeer (*Rangifer tarandus tarandus*). **Das Neves CG**, Roger M, Yoccoz NG, Rimstad E, Tryland M. *Acta Vet Scand.* 2009 Mar 9;51:9.

9. Thesis

- "Cervid herpesvirus 2 infection in reindeer in Norway" – Thesis for the degree of *Philosophiae Doctor* at the Norwegian School of Veterinary Science – Norway 2009 – ISBN 978-82-7725-173-8
- "Veterinary Science beyond 66°33'00"N" – Final DVM graduation thesis – Norway 2004

10. Other publications / reports & books

- Virusinfeksjoner hos reindyr. Tryland, M., **Das Neves, C.G.**, Klein, J. 2014 *In: Helse og Velferd hos rein. Norsk veterinærtidsskrift* 2: 230-242
- Svalbardreinen – økologi, parasitter og sjukdommer. Pedersen, A.Ø., Josefsen, T., Mørk, T., Åsbakk, K., **Das Neves, C.G.**, Hansen, B.B., Tryland, M., 2014 *In: Helse og Velferd hos rein. Norsk veterinærtidsskrift* 2: 262-271
- Herpesvirus infections in wild mammals. *In: Infectious Diseases of Wild Mammals and Birds in Europe.* Gavier-Widden, D., Duff J. P., Meredith A., 2012. Editors. Blackwell Publishing Limited. ISBN: 978-14-0519-905-6
- Marine mammals herpesviruses. *In: Infectious Diseases of Wild Mammals and Birds in Europe.* Gavier-Widden, D., Duff J. P., Meredith A., 2012. Editors. Blackwell Publishing Limited. ISBN: 978-14-0519-905-6

- **Ruminant alphaherpesviruses.** In: Infectious Diseases of Wild Mammals and Birds in Europe. Gavier-Widden, D., Duff J. P., Meredith A., 2012. Editors. Blackwell Publishing Limited. ISBN: 978-14-0519-905-6
- **Report of the North Atlantic Marine Mammal Commission expert group on assessment of whale killing data.** North Atlantic House Copenhagen, Denmark, 2010
- **Impact of climate change on infectious diseases of animals in the Norwegian Arctic** – Brief Report Series 010 from the Norwegian Polar Institute – ISBN 978-827666-252-8
- **Ottar 5/06 - Reindeer health** – University of Tromsø scientific magazine ISSN 0030-6703

11. Scientific review work & juri work

- **Since 2011** – Assistant editor of the Journal of Wildlife Diseases
- **Since 2011** – Member of Wildlife Disease Association Student Award Committee
- **Reviewer of scientific papers** on journals such as: Journal of Wildlife Diseases, Veterinary Microbiology, Acta Veterinaria Scandinavica, Yonsei Korean Medical Journal.
- **Member of Master thesis evaluation committee:** “The human polyomavirus KI: a study on cell permissivity, sub-cellular localization of VP1 and presence in cerebrospinal fluid and urine”. Maria Ludvigsen – Uni. Tromsø – 2011
- **Member of PhD defense committees:**
 - “Anguillid herpesvirus 1 infection in eels in the Netherlands”. Steven van Beurden – University of Utrecht, Netherlands – 2012
 - Selected viral diseases survey in seabirds along the South American Atlantic Coast. Claudia Niemeyer – Universidade de São Paulo – Brasil - 2014

12. Posters/oral presentations in international and national meetings/conferences/workshops & Invited lectures

- **Das Neves C.G.,** Paulsen K.M., Gurung D., Stuen S., Kjelland V., Vainio, K., Dudman, S.G., Soleng A., Heum, M., Handeland, K., Madslie K., Andreassen Å.K. 2016 TICK-BORNE DISEASES IN A ONE HEALTH PERSPECTIVE. HOST AND PATHOGEN INTERPLAYS – THE SEARCH FOR TBE VIRUS AND RELATED PATHOGENS IN WILD AND PRODUCTION ANIMALS - 12th Conference of the European Wildlife Disease Association (EWDA), Berlin – Germany, August 2016
- Madslie K., Moldal, T., Vikøren, T., Ørpetveit, I., Van der Kooij, J., Tengs, T., **Das Neves, C.G.** 2016 SURVEILLANCE AND FIRST DETECTION OF EUROPEAN BAT LYSSAVIRUS TYPE 2 (EBLV-2) IN NORWAY – 12th Conference of the European Wildlife Disease Association (EWDA), Berlin – Germany, August 2016

13. Field experience/work

- Lead a field trip expedition to Svalbard under the project: Assessment of viral pathogens in Svalbard reindeer (*Rangifer tarandus platyrhynchus*): Potential for infectious diseases in a changing Arctic – October 2010.
- Participated in the Scientific Expedition of the Institute of Marine Research for tagging of seals– October 2009
- Participated together with the Norwegian Institute of Nature Research (NINA) in a field expedition to northern Finnmark for collecting biometrical and blood samples of reindeer while in the open pasture – September 2007
- Participated in the Scientific Expedition of the Institute of Marine Research “Økologiske studier av steinkobbe i Vesterålen” (Ecological studies of harbor seals in Vesterålen, Norway) as the responsible veterinarian – May and September 2007.
- Participated in the Scientific Polar Seal Expedition to the Western Northern Atlantic and Greenland Sea of the Institute of Marine Research – March to April 2007 collecting biometrical data and samples from different tissues and organs of hooded seals.
- Participated together with the Norwegian Institute of Nature Research (NINA) in a field expedition to northern Finnmark for collecting biometrical and blood samples of reindeer while in the open pasture – September 2006
- Participated in the traditional sealing operations (on the vessel “Kvitbjørn”) to the eastern Barents Sea, engaged by the Institute for Marine Research – March to April 2006 collecting biometrical data and biological samples from different tissues and organs.
- Participated in a field trip with the Section of Arctic Veterinary Medicine to Karasjok area (Finnmark County) for the collection of biological samples of reindeer at local slaughterhouses – February 2006
- Participated in a field trip with the Section of Arctic Veterinary Medicine to Finnmark (Varanger Peninsula area (Finnmark County) for the collection of biological samples of reindeer at local slaughterhouses – December 2005
- Participated in the Scientific Polar Seal Expedition to the northern Barents Sea of the Institute of Marine Research – June 2005 collecting biometrical data and biological samples from different tissues and organs.
- Participated in a field trip with the Section of Arctic Veterinary Medicine and the Institute of Biology – University of Tromsø to Finnmark for the collection of biological samples of reindeer at local slaughterhouses – February 2005
- Participated in a field trip with the Section of Arctic Veterinary Medicine to Finnmark for the collection of biological samples of reindeer at local slaughterhouses – February 2004
- Participated on a field and installations visit of the Japanese Institute for Cetacean Research in Tokyo – Japan, March 2003
- Participated in several field action during the International Course on Australian Wildlife Management – Australia – January 2002

14. Teaching and supervision activities

- Main teaching activities
 - Laboratory Animal course for researchers and technicians –University of Bergen–2008/09/10/11/12/13/14/15
 - Laboratory Animal course for researchers and technicians –University of Tromsø–2010/11/12/13/14/15
 - Laboratory Animal course for researchers and technicians –NTNU Trondheim –2010/12/13
 - Laboratory Animal course for researchers and technicians –NVH–2010/11/12/13/14
 - Course in wildlife diseases / virology, bacteriology and parasitology - Norwegian School of Veterinary Sciences - 2009/10/11/12/13 for veterinary undergraduate students
 - Food safety and pathogens 2012/13 - Norwegian School of Veterinary Sciences for veterinary undergraduate students
- Supervision
 - Helped supervision of the following DVM students:
 - DVM Matthieu Roger – Fac. of Veterinary Medicine – Nantes, France – 2006
 - DVM Ingebjørg Nymo – NVH – Oslo, Norway 2008
 - DVM Veronique Poulain - NVH – Oslo, Norway 2008
 - Co supervision of the following Master students:
 - Hanne Ihelbæk – University of Tromsø, Norway 2010
 - Co-supervisor of graduate student Alina Evans, DVM – NVH – 2010-2012
 - Main supervisor of DVM graduate student Mary Wood – University of Minnesota – 2011 (research tenure)

15. Academic Offices and Administrative responsibilities

- Member of the Administrative Board of the Technical University of Lisbon (UTL) (terms of 2001 and 2002)
- Member of the University Assembly UTL (terms of 1999-2000; 2000-2002 and 2002-2004;)
- Senator of the Lisbon Technical University (terms of 1999-2000; 2000-2002 and 2002-2004;)
